

ABUS August Bremicker Söhne

29/70

Item number: 40905 | EAN: 4003318409059

Round, weatherproof and keyless: the Diskus® Combo is a combination lock with a robust stainless steel housing. This allows several people to open the cellar door, for example, without having to pass on a key.

Operation and use

- Protection of items of high value and with a very high risk of theft
- For securing doors, gates, cabinets, toolboxes, cellar windows, sheds, switchgear, barriers, etc.
- Suitable for indoor and outdoor use (not suitable for marine use)
- Ideal in combination with ABUS Diskus® hasp 140, preventing access to the shackle with burglary tools

Technology and features

- Individually adjustable 4-digit code
- Shackle made from hardened steel
- Robust stainless steel housing
- Round shape plus narrow shackle opening makes access with forcing tools difficult
- Additional saw protection, as there is hardly any space to reach the shackle with sawing tools
- Precision code mechanism as protection against picking burglary method
- Rounded surfaces contribute to convenient handling
- Three holes on the underside of the lock for water drainage
- Designed in Germany

Technical specifications
